What is the Health and Safety Plan?

PDE required schools to plan for the safety of students and staff for when schools reopen.

The Health and Safety Plan (HSP) is available on the Fairwold website.

<https://www.fairwoldacademy.org/images/pdf/Fairwold-Phased-School-Reopening-Health-and-Safety-Plan.pdf>

We stated in our introduction to the plan that this is a fluid document and could be revised as needed and appropriate.

Safe practices in effect in school buildings

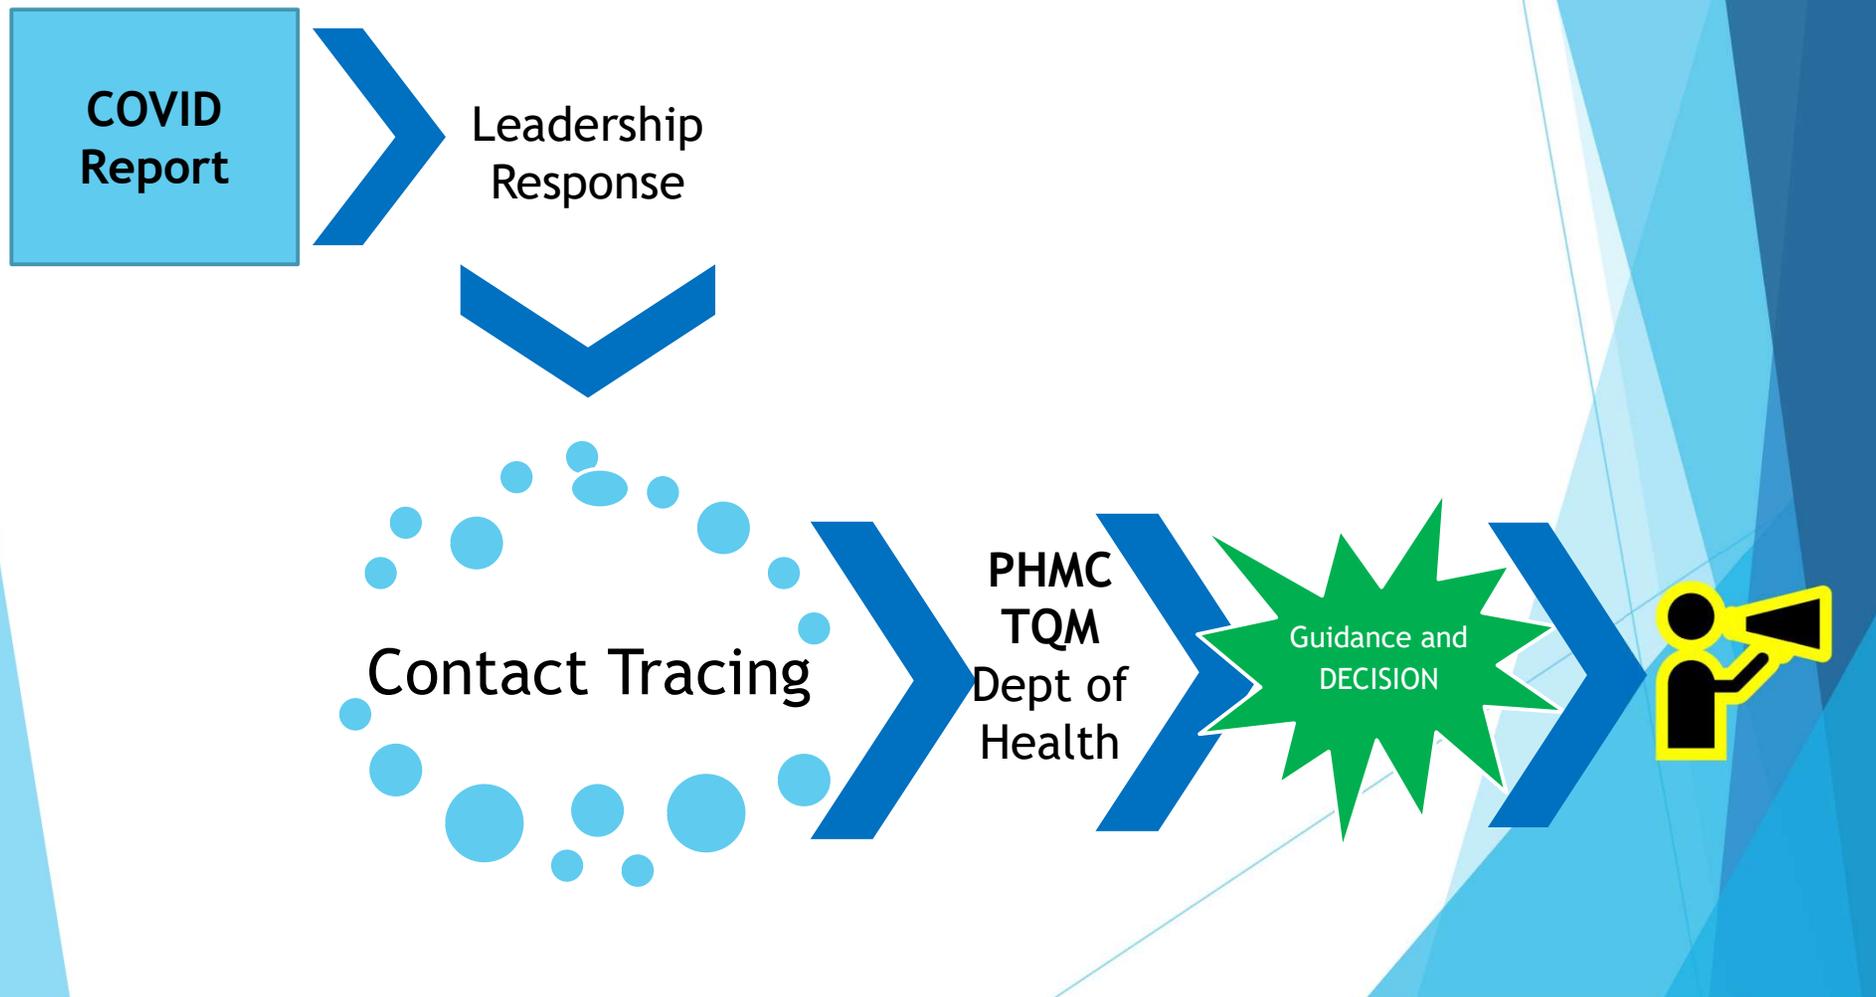

- ▶ The H&SP was approved by the PHMC Board of Directors in August.
- ▶ Facilities upgrades.
- ▶ PPE purchased and distributed.
- ▶ Contract tracing has been effectively recorded for four weeks with administrators and four additional weeks with students and staff.
- ▶ Social distancing, limited transitions, disinfectant and cleaning products (non-toxic, approved).
- ▶ **Leadership is in constant communication with PDE and counties.**

What happens
when Fairwold
Academy receives
a COVID report?

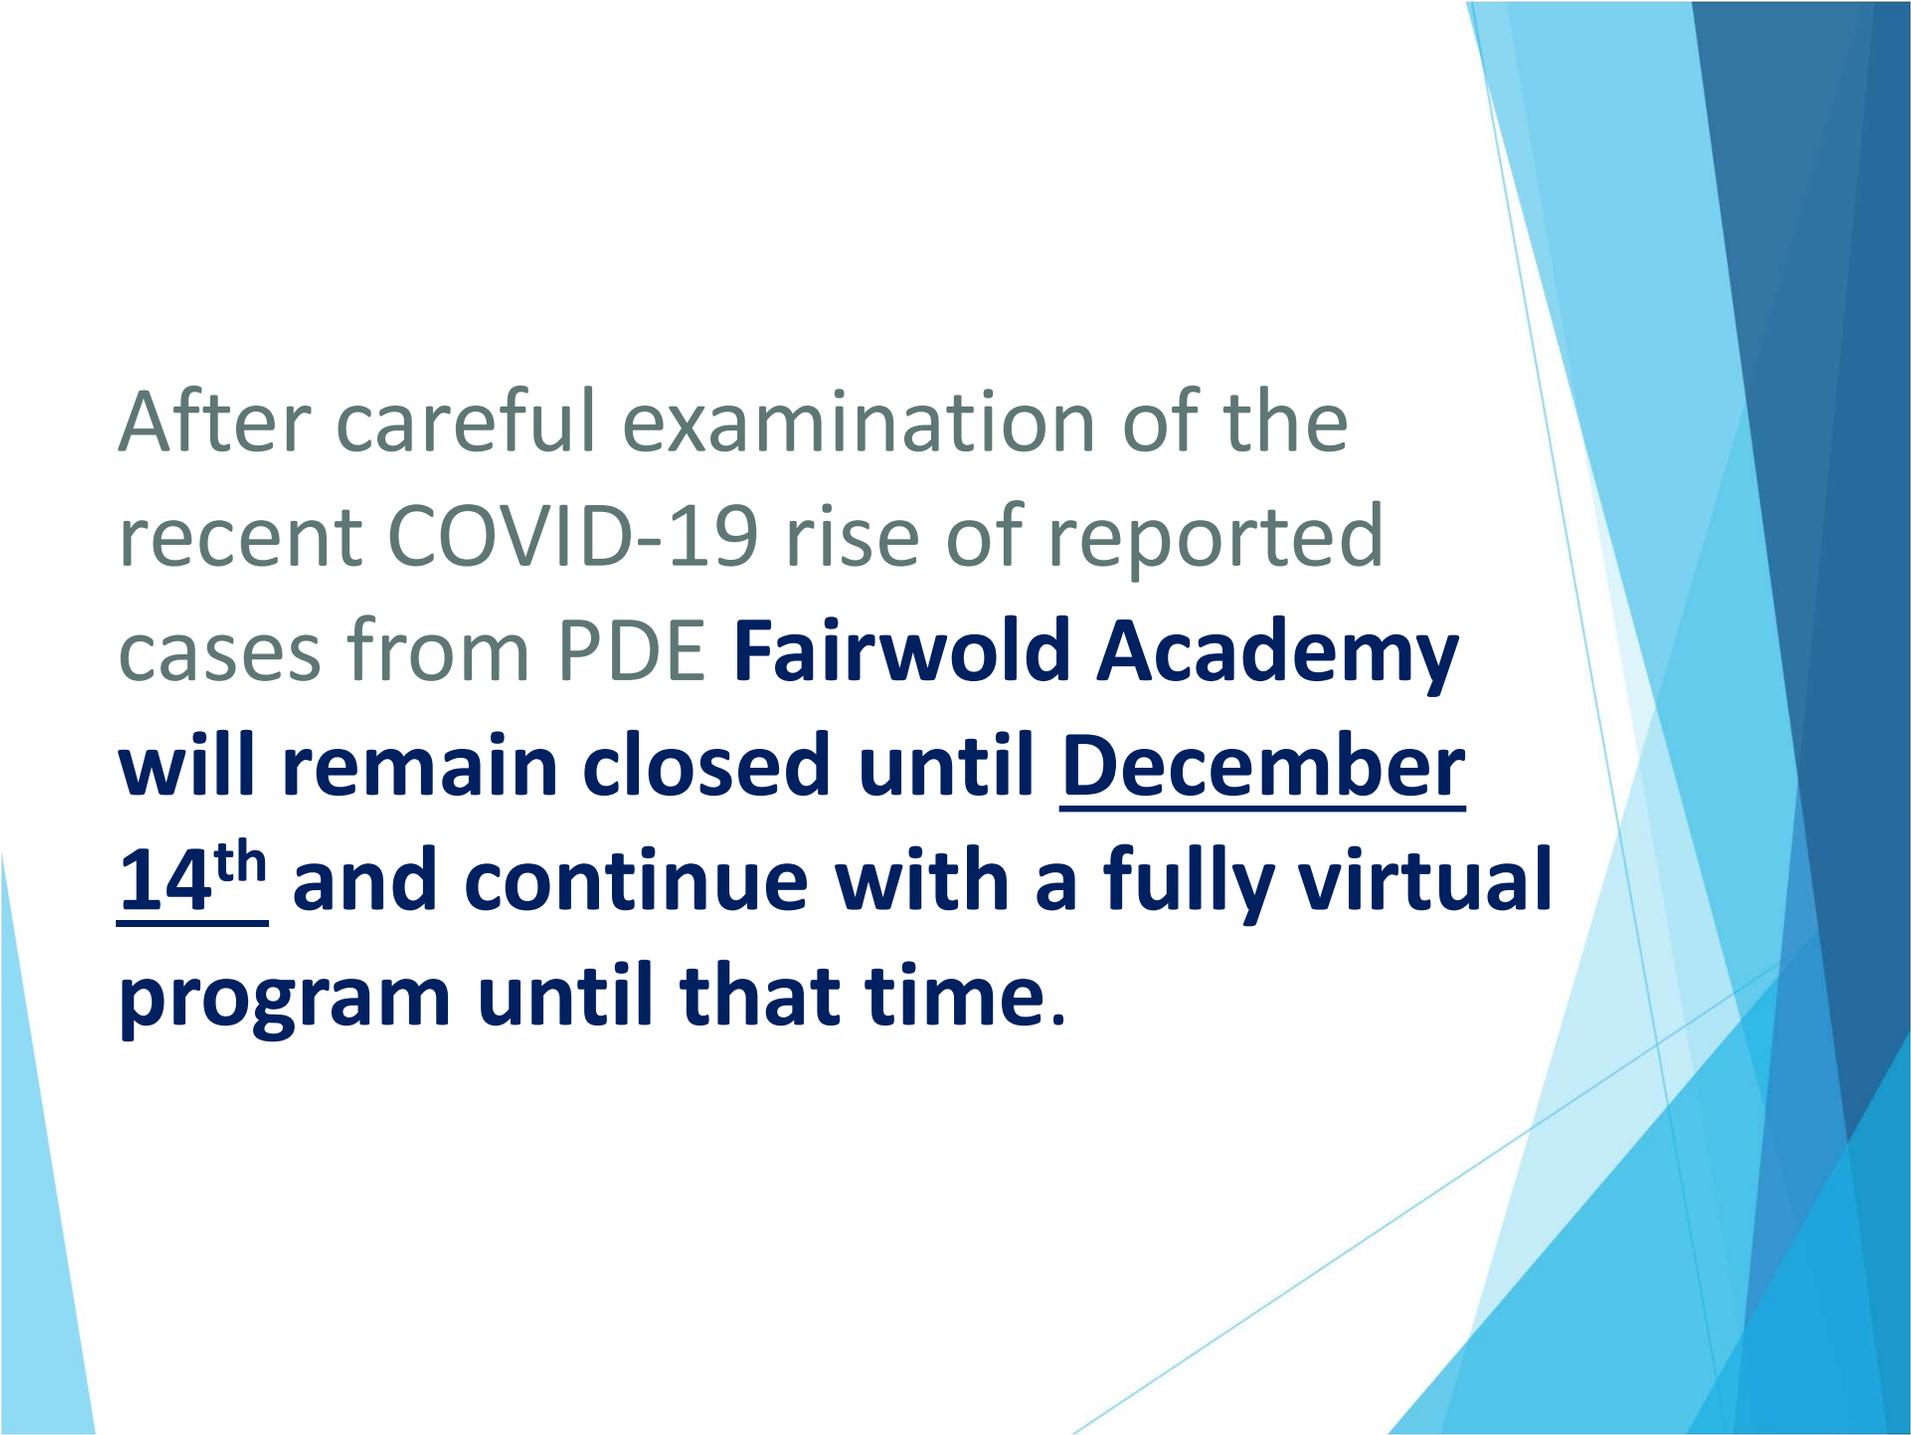

What happens when we receive a COVID report?

Why are we closed
through December 14th?

After careful examination of the recent COVID-19 rise of reported cases from PDE **Fairwold Academy** **will remain closed until December 14th and continue with a fully virtual program until that time.**
